Bulk And Brush Collection Map
Full size version of this map available at trash.cityoflamarque.org.
Dear La Marque Resident,

The City of La Marque has partnered with WM for twice-a-week trash collection, once-a-week bulk/large item collection, and every-other-week recycling collection. Please see the Residential Trash and Recycling Collection Map and the Bulk and Brush Collection Map for your collection days.

**Carts**

Trash cart - your green cart with the green lid is for trash. Please bag and tie trash before placing it inside your cart. Do not overfill carts. Lids must close securely. No material outside the cart will be collected.

Recycling cart - your green cart with the yellow lid is for recycling. Do not overfill carts. Lids must close securely. Please see the Recycle Right® panel for what to recycle in your community.

**Missed Collection**

Despite our best efforts, we occasionally miss scheduled collections. If we do, please call Waste Management at 800-800-5804 as soon as possible. We'll try to return on the same day to pick up your waste or recycling. If our driver has already left your area, we'll pick up what we missed the following day.

**Observed Holiday**

WM observes the following holidays, collection will not occur:

- Thanksgiving, Christmas Day, and New Year's Day
- For Thanksgiving week, Thursday collection will be Friday. Friday collection will be Saturday.
- For Memorial Day, Independence Day, and Labor Day, it will be the normal schedule.

**Additional Carts**

Additional carts may be ordered from the City of La Marque, and the rate will be added to your city utility bill.

**Cart Placement**

Remember to place your carts at least 4 feet apart and 5 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the carts. Place the handles of the carts handles facing your home or fence.

**Additional**

Always Recycle

Great things happen when La Marque residents Recycle Right®. By recycling everyday items like those shown below, tons of raw materials, time, energy and money are saved. To learn more visit wm.com/recycleright.
- Empty recyclables loose into your bin - don’t bag recyclables and no loose plastic bags. Instead, reuse or return plastic bags to local retailers.
- Containers should be empty and free from food and liquid.
